

## ROUND ABOUT THE COUNTY

### TRAMPAROS

Shortly before he became ill, he was writing the last few weeks as he has had the sprain fever and was suffering any longer than usual. Exercised under the circumstances.

The Dr. E. C. Durack at the local hospital made great success and the progress was splendid. All we can boast of now is the honest and conscientious treatment the community outside the county seat, it is just large enough for such a diagnosis.

A number of the farmers in the neighborhood of last field Sabbath meeting and found it hard on the Farmers' Sons of Equity, with their chapter主席 H. H. A. Sibley was chapter president. The DeMolay corporation and Paul MacCormick members and trustees.

Another local club is the Agricultural Society, a good deal of care for the spruce and pasture land.

Mr. Gifford and son have moved their cattle from the Ohio ranch to look over some land of the Buck Hill where Mr. Gifford's cattle ranches one of the most famous pastures in the country.

Fred J. Hendrickson in receipt of a letter from the Ohio State Board of Agriculture asking him in what process he used to treat them with an inclined series of young Dutch tulips to root them easily with the way, time and date, directions I had for you. Please let tell the boys to get busy.

Many of the farmers of this neighborhood are planting their corn and sugar and the grassy fields will be filled around in this time of the year.

Shortly after by the paper that the News Journal would all be up from this community but we feel better as attend the Simons' graduation and the like. The girls' school is still in full operation at this time.

The cattle men soon all go when the grass has really been up. It is a time of the year when the home turned in every direction.

Mr. H. R. Johnson from Weerakka, Kansas was a prospective land buyer took his family along to this west and made application for land. He has bought his recently for a six-acre tract of state land, in which H. C. Magruder had the He will receive a hearty welcome if he finds the old house set on fire because he wants to locate in the valley. J. Haupert for the land in front of H. J. Nelson and wife have moved to Macomb's house. Then Fred out to hear claim. Glad to see him again. Mrs. J. Kappes for another neighbor adjoining his land. By this time he has one section of land in one body, having all his late additions and Kappes three quarter sections all in one section, making the trade an excellent one for all parties concerned.

### NORTH COUNTY FARMERS BUSY SEEDING

This year northern Farmers' County has twice as much acreage planted to winter wheat as was planted last year. The outlook is extremely bright at this time for a bumper wheat crop. Many farmers are preparing to put out a lot of spring wheat. The acreage of spring wheat will be considerably larger than last year.

Besides the wheat crop the farmers are making preparations to plant large acreage of corn. This is especially true east of Des Moines, and possibly twice as much oats as was sown last year will be added to the crop acreage. Besides this farmers are talking of sowing Sudan grass a trial. This grass makes lots of feed and if found to be a reasonable crop no doubt will become one of the stable forage crops of this section. The usual amount or more of millet will be sown.

Every tractor in this section has more than a month's work ahead. Many of the farmers that purchased tractors planned to keep them busy on their own plowing. Now they find that their neighbors are planning on breaking more land and that the tractor is proving to be a good investment. Another year will see twice as many tractors in operation. —Des Moines correspondent to Santa Fe Eagle.

### MT. DORA

Mrs. S. J. Anderson, who for the past month has been in Trinidad in the Pan American Hospital undergoing medical treatment, returned home on Monday much improved in health.

Mrs. Nellie Bryant of Patterson Park Wednesday in Mt. Dora.

Mr. and Mrs. Henry Kilburn, Mrs. Lois Cook and Mr. S. J. Anderson came to Clayton on Saturday.

A large crowd accompanied the Mr. Lewis Hall Tamm to Simpson Park. The next game will be played on the home ground Sunday.

Mr. and Mrs. Harry Hayes are the proud parents of a son born Monday.

Mr. Charles, president of Agricultural Extension Work of State College addressed the senior class Friday morning.

Mr. and Mrs. Whetstone Hill were from Clayton Sunday.

Bob Schlesinger returned from Kinston Tuesday.

Mr. and Mrs. Henry Kilburn spent a few days in Trinidad last week.

Miss William Glass and son, William were in Trinidad last week.

Mr. & Mrs. Young Mrs. John Young's brother, returned to her home in Iowa, Sunday.

Mr. Dennis and daughter of George McElroy visiting W. W. Dennis' home.

Alton Dean spent Sunday with his wife.

### GARDEN VALLEY

With pack horses and mule teams the readers of this paper may be somewhat surprised to see a writer up from this community but we feel that if we could hear the music we could adjust the Simons' organ to the wind-walks. Shortly it seems he could not so and help make the popular Parrot no two big stones appear hand in hand ready to fall. "So" nothing would be nor bachelors and "such" know what is going here the world.

In Garden Valley the people in Garden Valley

are fully good folk and the soil is a fine slice of this fine land. The home turned in every direction.

Mr. H. R. Johnson from Weerakka,

Kansas was a prospective land buyer took his family along to this west and made application for land. He has bought his recently for a six-acre tract of state land, in which H. C. Magruder had the He will receive a hearty welcome if he finds the old house set on fire because he wants to locate in the valley.

J. Haupert for the land in front of H. J. Nelson and wife have moved to Macomb's house. Then Fred out to hear claim. Glad to see him again.

One jolly good friend and neighbor adjoining his land. By this time he has one section of land in one body, having all his late additions and Kappes three quarter sections all in one section, making the trade an excellent one for all parties concerned.

## ECLIPSE

PUMPS MORE WATER

LASTS LONGER WITHOUT REPAIRS

### Simplicity and Durability

THESE ARE THE QUALITIES WHICH HAVE MADE THE ECLIPSE FAMOUS WHEREVER THE WIND BLOWS. IT IS BUILT FOR SERVICE AND IT GIVES SERVICE. DA ALIVE PAY YEAR IN AND YEAR OUT THE ECLIPSE IS ON THE JOB. NO DIFFERENCE WHETHER THE WIND IS LIGHT OR HEAVY—THE ECLIPSE DOES THE WORK. IT IS DIRECT CONNECTED TO THE PUMP WITHOUT THE USE OF GEARS AND HAS THE FEWEST POSSIBLE NUMBER OF WEARING PARTS AND LASTS THE LONGEST WITHOUT REPAIRS.

THE ECLIPSE ADJUSTS ITSELF AUTOMATICALLY TO VARYING WIND VELOCITIES AND IS THUS ENABLED TO WORK UNDER ALL POSSIBLE WEATHER CONDITIONS. AND RUNNING UNDER ANY AND ALL CONDITIONS, IT WILL PUMP MORE WATER, WEAR LONGER AND BE LESS EXPENSE TO ITS USER THAN ANY OTHER WINDMILL EVER BUILT. WORKS RIGHT AND WEARS RIGHT BECAUSE ITS MADE RIGHT.

### E. J. WALTERS SAYS--

I have secured some special whiskey for my customers that touches the spot

### OLD G. W. HARRIS BURBON

And especially recommend it for medicinal and social purposes. One drink will convince you.

### E. J. Walters, Clayton, N. M.

John, having accepted a position with Mr. Henderson, the Townsite man.

Mrs. W. H. Blake has returned from Clayton, where she has been visiting her mother, Mrs. M. H. Nicholson.

There will be a special school meeting next Friday at the home of Col. E. U. Jacobs. Our school is

named in honor of Mr. George Merritt and as his initials are G. E. M. it is called the Gem School.

Well as 'gas' is going higher and the supply is running short we will close, and come again.

"OICU"

Hann wants to see you!
